

Checking the OS Version on a Surveyor 2

Date: 13 March 2017

By: Mark Silver, ms@igage.com

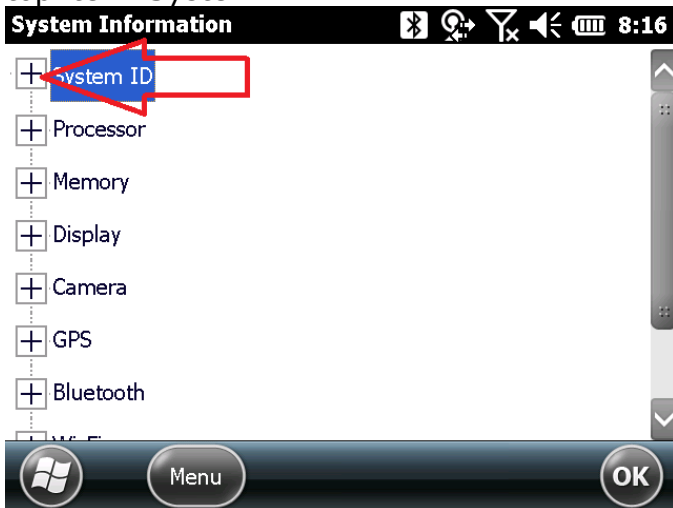

From the main menu:

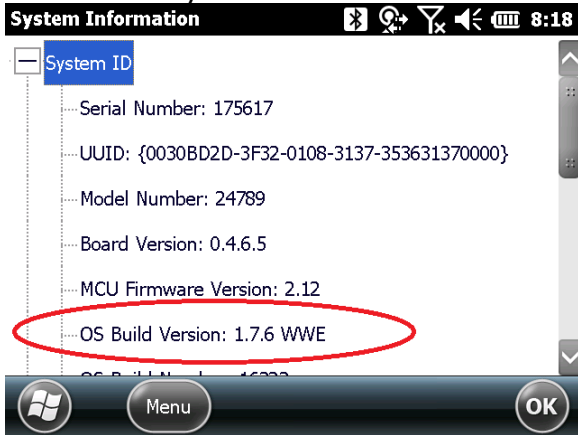

1

Click on the 'System Info' icon.

The 'System Information' screen is shown. Click on the '+' sign to the left of the top item 'System ID':

The currently installed OS Build Version is shown as the 6th item:

2

You can determine the latest build release by visiting Juniper System’s website. The ‘Juniper Systems Allegro 2’ data collector is the same as the ‘Carlson Surveyor 2’.
